## Scholarship Winner – Congratulations Sarah Wolford!

For our 19th year straight, the credit union has awarded scholarships to deserving young members. This year the tradition was continued. The scholarship committee has awarded this year's award to Sarah Wolford.

Sarah is a senior at Allentown High School in Allentown, NJ and is ranked 29th among 322 students. She has a 4.076 grade point average, and scored a 28 composite on her ACT.

Sarah is in the National Honor Society for English, Math, Science and Spanish as well as the editor for the school newspaper. Sarah started volunteering at a local food bank and it made a great impact on her. She realized that there may be parents who have fallen on hard times and may not be able to provide their children with simple things like a birthday cake on their birthdays so she started her own charitable organization called "Birthday in a Box". She collects birthday supplies such as cake mix, icing, decorations and presents and puts them into boxes and gives them to children in need.

Her teachers describe her as mature with an outstanding work ethic. They say she has amazing communication skills and an enthusiasm for learning, is a role model for her classmates.

In the fall Sarah will be attending Loyola University in Maryland.

It is with great pleasure that we announce the 2015 Union Building Trades FCU scholarship winner, SARAH WOLFORD. **Best of Luck!**

## Kodan's Korner

Remember to spend some time with your loved ones, because they are not going to be around forever. Remember, say a kind word to someone who looks up to you in awe, because that little person soon will grow up and leave your side. Remember, to give a warm hug to the one next to you, because that is the only treasure you can give with your heart and it doesn't cost a cent. Remember, to say, 'I love you' to your partner and your loved ones, but most of all mean it. A kiss and an embrace will mend hurt when it comes from deep inside of you. Remember to hold hands and cherish the moment for someday that person will not be there again. Give time to love, give time to speak! And give time to share the precious thoughts in your mind. And always remember, life is not measured by the number of breaths we take, but by those moments that take our breath away.

## Summer Fun for Less!

Whether your summer fun comes in the form of a vacation, staycation, or daily warm-weather activities, there's no doubt that some planning is needed for a successful summer.

By following some simple tips, you can plan the ultimate summer at a great price and with little stress:

- If you're thinking about travelling, book ASAP. Once you know you'll be taking a trip, try to book your flight right away. The more flexibility you have in terms of dates, the better deal you can get.
- Opt for a "Staycation." There are plenty of options; return to nature at parks, nature centers, or local lakes and beaches; get some culture at a local museum, aquarium, science center, festival or concert; spoil yourself at the spa, shopping, or dinner at a fancy restaurant; camp out in your backyard - pitch a tent, tell ghost stories, sing songs, and make s'mores.

Make the Most of the Season by:

- Playing in the water whether it's the ocean, lake, pool, even the sprinkler or hose.
- Cooking light and healthy with simple and fresh ideas from easy salads and dips to grilling and fresh fruits.
- Soaking up some sun in your backyard, at the pool or beach, gardening, or even washing the car. Don't forget your sunscreen!
- Doing nothing. Relax on a lounge chair, nap in a hammock, or simply breathe in the air and watch the summer sky.

**As you plan for summer, remember Union Building Trades Federal Credit Union can also help with funding your vacation plans with our unsecured loan, or our low rate credit card.**
